

Our Volunteering Culture

We want Our Volunteering Culture to be something we're all proud of

As volunteers in Scouts, we're proud to help young people step up, speak up, dream big and gain the skills they need for life

By working together, and living our values of integrity, respect, care, belief and cooperation, our aim is to have a positive, safe and rewarding experience as volunteers for a movement we truly believe in

It's not something 'extra' to do. It's at the heart of everything we do and it's there to help us all
