

## Past and Present.

Campfire pictures by two inspirational Scouters, a sketch by Lord Robert Baden-Powell and a painting by Phil Lynes.  
100 years separates the pictures and people who created them.

***Our Founder said:  
“Campfire is one of the  
happiest hours of camp.  
Songs, recitations and small  
plays follow each other on  
the programme”***

*The Classic Campfire – an original painting created for the Heritage Project.*
