*I find myself reminiscing and thinking of the many "Great Scouters" who have gone before, who I wanted to try and emulate when I joined the Movement.*

*Being a part of the Great Yarmouth Scout Fellowship, latterly known as the East Norfolk Active Support Unit, I realise the vast and various skills that our members possess, many having been leaders in the past, who still enjoy being involved in supporting the district events and spending time together.*

*They continue to dedicate so much of their time and passion to Scouting.*

*As Deputy Lead Volunteer, I am thankful to those who continue to volunteer and make Scouting what it is today, teaching our young people all those important 'Skills for Life'. Gillian Mays.*
