   The District Chair welcomed everyone to the meeting and thanked everyone for attending the Annual Review of East Norfolk. Everyone welcomed our County guests and we thanked them for making the effort to be with us. The Chair referred to the Annual Report booklet which has been previously circulated, a few copies were available if needed by anyone.

2. **Apologies For Absence:**
   Apologies had been received by 14 people, if anyone has apologies from anyone else, please could they record them before they leave.

3. **Governance Topics:**
   a. **Approve the minutes from the Annual General Meeting held on 21st June 2024:**
      These were reviewed and approved by the District Trustee Board on 17th September 2024 at their meeting. These are proposed as a correct account of the meeting, the Chair asked for someone to second these minutes. These were seconded by Jo Holloway and approved by a show of hands.
   b. **Adopt the model constitution from Policy, Organisation and Rules.**
      The District Constitution was adopted in full at the 2024 AGM. The Trustee Board has not had to recommend any changes this year so no review and vote is needed.
      We will continue to use the previously adopted Constitution.
   c. **Note the District's Financial Year:**
      The Chair remined the District Scout Council that our Charity's financial year is 1st April to 31st March each year.
   d. **Approve appointed and community members of the District Scout Council:**
      The Chair advises the District Scout Council that they can approve the admittance of non-Scout Members to the Council from the community to bring skills and knowledge to the Scout Council. The Trustee Board recommends that Carl Annison (Borough and County Councillor and Mayor of Great Yarmouth) be approved to continue as a member.
      This was approved by a show of hands.
   e. **Agree the numbers that may be appointed to the Trustee Board.**
      Following the good practice recommendations from the Charity Governance Code and implemented by the Scout Association. POR states that Trustee Boards should have a minimum number of 5 and a maximum of 12 members. It is proposed by the Trustee Board that we continue with the maximum number of 12 as was agreed last year at this meeting. Amanda Pulham Seconded and agreed by a show of hands.
   f. **Agree the quorum for future meetings of the District Scout Council (excluding this AGM).**
      The District Scout Council must agree a quorum for these meetings, it's the minimum number of people in attendance to be able to make decisions. The Trustee Board recommends this be set at 15 as per previous years. The District Scout Council was asked to accept the proposal. This was seconded by Sarah Carter and approved by a show of hands.

4. **Review of the previous year:**
   We will now use this part of the meeting to reflect on the activities of the past year.

a. **District Lead Volunteers Review of East Norfolk Scouts:**
After three and a half years in post as District Lead Volunteer, I continue to be amazed and delighted at the dedication of the adult of East Norfolk to support young people to gain skills for life and just importantly have fun with friends. The focus on People, Perception and Programme continues for 2025, before we change to align with the new Scout Association Strategy in 2026.

People: The District Team is restructured in line with Transformation and operates to support programme and events for the youth sections and adults alike.
The second Adult Skills weekend saw 25 leaders take part in two days packed with learning sessions and opportunities to share some fun too.

Perception: Newsletters and regular Meeting Updates provide a robust level of communication for all members. External media connections PR situations continue to be harnessed to promote Scouting and its value in society.

Programme: A wide range of District events has provided opportunity for young people and adults to enjoy activities with members of the wider Scouting family.

This year saw the opening of eight new sections across East Norfolk in response to the national growth and county plans. I am delighted to report that at the festive event, Flags were dedicated and presented to these sections. Multiple grants were secured this year to support the new sections, many from Scout Association funds, with particular funding for Explorer Units new sections. The conclusion of the Heritage Project saw a fantastic public launch at the festive event and our book has been accepted by the Heritage Lottery and Gilwell archives.

St. George's Day 2025 was celebrated in Groups and Units with the support of a District activity pack, however the St. George's and Union Flags for achievement will be awarded at the AGM and 1st Caister will be the custodians of the District Flag for the year ahead,

My thanks for everyone's continued support of the East Norfolk Scouts, as we work together to grow and share the magic of Scouting in our local community.
The Chair thanked the Lead Volunteer for her report and congratulated everyone concerned on delivering a fantastic year of Scouting for all our people.

b. **Receive and Consider the Annual Accounts report from the Trustee Board.**
The Chair stated that the Trustee Board has reviewed and approved the Annual Report and Statement of Accounts and the report from the Independent Scrutineer has also been received and no issues were found.
The DLV then highlighted some parts of the accounts as our Treasurer was unable to attend.
No questions had been raised when the accounts were circulated prior to the meeting.
The Chair pointed out that the meeting only has to receive and consider the accounts and no vote is needed.

5. **Making appointments:**
The Chair advised that the next part of the meeting to organise and set up the Charity for the period until our next AGM. We will approve any necessary appointments to the Trustee Board to oversee good governance for the next year. Many of the appointments were made last year under a 3yr appointment under current Scout rules and the Chair will explain as we go through.
   a. **If required, Appoint the District Chair following recommendations from the Trustee Board.** This year we have no need to appoint the Chair as he was appointed on a 3yr term last year and still has 2yrs to serve. It will remain as Mark 'Danny' Daniels.
   b. **If required, Appoint the District Treasurer following recommendations from the Trustee Board.** Following an open selection process, the Trustee Board recommend that Lorraine Childerhouse be re-appointed as District Treasurer for a 1yr Term. This was approved by a show of hands.
   c. **If required, Appoint members to the District Trustee Board following the open selection process.** The Chair advises that most of the places on the Trustee Board are filled by people

who were appointed at the last AGM. Therefore, the following people are still Trustees with the following length of term still to serve:
Liam Segust 1yr, Carl Annison 2yrs, Gillian Mays 2yrs, Glenn Chusonis 2yrs, Denise Goldspink 2yrs, Harriet Goldspink 2yrs and Peter Clarke 2yrs.
Along with the Chair and Treasurer already appointed.
Ex officio members are the District Lead Volunteer and the District Youth Lead

After the open selection process, no one new came forward. John Saddington who was appointed last year on a 1yr term, has agreed to extend for another 1yr.
It is recommended by the Trustee Board the above people are confirmed into post.
This was agreed by a full show of hands.
The Chair thanked the Trustees for their diligent work over the last year.

d. **If required, Appoint or Re-Appoint District President or Vice Presidents.**
The Chair explained that we have 2 Vice Presidents, Hilary Buckle and Roger Pumfrey and the Trustee Board recommends their re-appointment.
This was approved by a show of hands.

e. **Appoint the Independent Scrutineer.**
It is proposed that we retain Maurice Pearce. He has the necessary qualifications we need to fulfil the role and is happy to stand again. This was approved by a show of hands.

f. **Nominate representatives of the District Scout Council to represent the District on the County Scout Council.**
We need to nominate 3 people including at least 1 under 25yr old to represent the District on the County Scout Council. It is proposed by the Trustee Board to nominate Gillian Mays, Jake Annison and Dylan Claydon (under 25 rep). This was approved by a show of hands.

6. **Closing Remarks.**
The Chair invited the County Lead Volunteer to say a few words;
Shirley thanked us all for the invite and thanked everyone for the fantastic work they are doing here in East Norfolk, she hears many good things about us all. As a District we cause her no problems, and she has no worries about our sustainability. The District is in safe hands and everyone deserves a pat on the back.

Danny thanked everyone for coming and hope they enjoyed listening to the success story of East Norfolk over the last year and wished everyone a safe journey home later.

The Chair closed the meeting at 20:06 and then followed some Scout Bingo and the raffle was drawn.

Structure, governance, and management

East Norfolk District Scout Council is constituted in accordance with the Governing documents and rules of The Scout Association to provide Scouting within Great Yarmouth and the surrounding area and is supported under those rules by the Scout County of Norfolk. The Scout Association is incorporated by the Royal Charter of 1912, which in turn gives authority to the Bye Laws of the Association. The District is a trust established under its rules which are common to all Scouts.

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association. The District is managed by the District Board of Trustees. Its members are the Charity Trustees of the District Scout Council which is an educational charity.
As charity Trustees they are responsible for complying with legislation applicable to charities, which includes registration, budgeting, keeping proper accounts and making returns to the Charity Commission as appropriate.

The District Board of Trustees consists of a number of ex-officio members: District Chair, District Secretary, District Treasurer, District 14-24 Team Lead, District Youth Lead(s) and the District Lead Volunteer; as well as appointed Trustees. The County Commissioner and the County Chair have the right of attendance at meetings of the District Board of Trustees.
The District Board of Trustees exists to ensure the charity is well-managed, risks are assessed and mitigated, equipment are in good working order, and everyone follows legal requirements and the organisations policies and rules. Their support helps other volunteers run high-quality and safe programmes that give young people skills for life.

Adventurous Activities at EVAC

Risk and internal control

The District Trustee Board completes a detailed Risk Register. The Trustees have identified the major risks to which they believe the District is exposed, these have been reviewed and systems established to endeavour to mitigate them.

The main areas of concern the have been identified are:

- Volunteer Recruitment – lack of new members across the Scout Groups
- Sustainability of New Sections

Objectives and activities

THE PURPOSE OF SCOUTING
Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.

THE VALUES OF SCOUTING
All Scouts are guided by the following values:

- Integrity – they act with integrity; are honest, trustworthy, and loyal.
- Respect – they have self-respect and respect for others.
- Care – they support others and take care of the world in which they live.
- Belief – they explore their faiths, beliefs, and attitudes.
- Co-operation – they make a positive difference; co-operate with others and make friends.

THE SCOUT METHOD
Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:

- enjoy what they are doing and have fun
- take part in activities indoors and outdoors
- learn by doing
- share in spiritual reflection
- take responsibility and make choices
- undertake new and challenging activities; and
- make and live by their Promise.

PUBLIC BENEFIT
By adopting and maintaining the Purpose, Method and Values of The Scout Association, the Trustees are confident that East Norfolk Scout's charitable purposes are sound, and in line with The Scout Association in terms of public benefit for both our youth and adult members.

The District meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

Achievements and performance

Thoughts of the District Lead Volunteer…
After four and a half years in post as District Lead Volunteer, I continue to be amazed and delighted at the dedication of the adults of East Norfolk to support young people to gain skills for life and just as importantly have fun with friends in a safe space where everyone is welcome.
Growth
Census 2026 delivered an increase of 10% in youth membership, on the back of an increase of 16% the previous year. Currently over 600 young people enjoy Scouting across the eleven Scout Groups and five Explorer Units of the district. This is supported by 189 volunteers, a growth of 8% in adult membership, following a 13% increase in 2025, however all leadership teams and trustee boards would benefit from more adult volunteers across the district. Over the last two years East Norfolk has supported the re-opening of one Scout Group, and the opening of twelve new sections, with three more planned for autumn 2026 as part of an ongoing growth and development plan.

Achievements of Young People

With a continued focus on the achievement of our young people, 86 Chief Scout's Top Awards were achieved during the year; 8 Acorn, 9 Bronze, 40 Silver, 17 Gold, 3 Platinum and 2 Diamond Awards. There are 16 Explorers working on Bronze and Silver Duke of Edinburgh recognition. Nights Away events numbered 25 giving the opportunity for young people to enjoy nights away experiences. More recently in May 2026, the Jambo Camp saw 300 young people and 90 adults camping together at the first district camp for 20 years.

Recognition of Adult Volunteers

The dedication of adult volunteers is central to Scouting in East Norfolk, and ten adults have been recognised with Good Service Awards; 6 Commendations, 1 Award for Merit, 2 Silver Acorns and 1 Silver Wolf. In August 2025, adults in the district undertook key roles to lead an international camp and many more to support the Norjam International Jamboree.

Opportunity and Adventure

Young Leader training continues and 32 Explorer Scouts Young Leaders were listed on the 2026 Census, working across all bar one group of the district. Adults in the district have continued to qualify to support adventurous activities, with volunteers now qualified to offer crossbow activity to the older sections.

Safe Scouting in East Norfolk

Charity regulation changes and implementation of the recommendations arising from the Prevention of Future Deaths report has been assured with support from the East Norfolk Trustee Board. The district has a robust record for mandatory learning compliance, consistently recognised by HQ as 100% compliant. First aid training is hosted "in district" with 20 qualifications gained or renewed in the last year, to ensure compliance across all reported areas.

The Future

A Place to Belong, the new strategy launched by The Scouts earlier this year offers fresh and renewed focus for everyone in Scouting. East Norfolk's leadership team will be reshaping the local development plan to align to new the pillars of Programme and Volunteering with the aim to build on our progress to connect with our local community.

DISTRICT GOVERNANCE AND COMPLIANCE

The District Board of Trustees has continued to carry out its role responsibly and with due diligence and care. Its meetings continue using an online platform to reduce travel time and costs, and issues have been discussed and resolved in a thoroughly professional and business-like manner.

DISTRICT MANAGEMENT AND THE DISTRICT TEAM

Members of the District Team are as follows:

Financial review

The annual examined accounts form an integral part of this report on pages 11 and 12.
During the year budgetary and monetary control was achieved by means of regular reports to the District Trustees.

The Trustees acknowledge with gratitude the following specific grants and donations:

RedHouse Youth Projects (First Aid Training)	£2,000.00
RedHouse Youth Projects (YL First Aid Training)	£1,000.00
Tesco (New Section Support)	£500.00

East Norfolk acknowledges the unclaimed expenses of Trustees and office holders.

Reserves Policy

The District policy on reserves is to hold sufficient resources to continue the charitable activities of the District should income and fundraising activities fall short. The District Trustee Board considers that the District should hold a sum equivalent to 24 months running costs, circa £15,000.

Investment Policy

The District does not have sufficient funds to invest in longer term investments. The District has therefore adopted a risk averse strategy to the investment of its funds.
All funds are held in cash using only mainstream banks or building societies.

Plans for the future

The Vision for East Norfolk Scouts in the development plan 2022–2025 had been to provide to all Scout Groups and Explorer Scout Units ahead of moving the new Association strategy in 2026. The Scouts have now highlighted two areas of focus; Programme and Volunteering.

The sense of belonging Scouts gives has never been more important. We want to welcome all young people regardless of gender, race, background or religion and stand for unity, togetherness and believe our differences make us stronger. There will be an aim to re-work the District Development Plan in Autumn 2026 to align to this vision.

Comments of the District Chair…

Well! before you know it another year has passed for East Norfolk!
What a year it has been again, every year I don't think we can better the last, but once again everyone involved with East Norfolk pulled it out of the bag again. Another year of great growth has been achieved and that is down to a lot of hard work by many people across the District.

The Trustee Board has been busy supporting many events across the District with both governance and physical support. They have supported the planning for our 1st District Camp in nearly 20 years and helped with the finance of the event. We look forward to telling your more on this next year! My thanks to all members of the Trustee Board for their work and support over the last 12 months.

Our District Team has worked tirelessly this year on many fronts! Running events and supporting sections and many running their own Dreys, Colonies, Pack, Troops and Units! Their work doesn't go unnoticed and its greatly valued by us all. An event that does need a mention is Norjam, where a huge number of our Leaders took part and supported the event in many different ways. This was a fantastic event and a showpiece for Norfolk Scouts.

I must now thank the District Team led by Shelly for the brilliant work they have put in the last 12 months. My final thanks are to every volunteer in East Norfolk, whether in uniform or a Trustee or a willing supporter and helper, as a District we could not achieve what we have without YOU ALL. Your support for our Young People is immensely valued and my sincere thanks to one and all!!
