How to run each part of the programme

Pass the Parcel

Prep: Prepare a number of "pass the parcels" with wrapped or bagged sweets within each layer. Have spare sweets so that any person not finding sweets has one to take home too.

How: Play some music to indicate who gets to unwrap the parcel.

Jam Penny Sandwiches

Talk: The late Queen Elizabeth II had a favourite snack that she ate every afternoon from when she was a child and throughout her adult life - The Jam Penny Sandwich.

How: Each young person has two rounds of bread on a plastic plate. They spread one piece of bread with jam and then press the second piece of bread on top, squashing gently and use the biscuit cutter to cut out a "penny" sandwich

Musical Statues

How: Players dance to the music and when the music stops they must stand totally still. Any movement eliminates the player from the game.
