Poppy 3-D Pictures

Prep: Source petals from either Pot Pourri or silk flowers.

How: Explain how Poppies have become the nationally recognised symbol of Remembrance.

Participants use sticky dots to stick four “poppy petals” onto a square of card.

Then add a black button to the centre of the poppy.

Poppy Field Pictures

How: Participants draw their own poppy field on paper using felt-tip pens - see image.

Remembrance Presentation

Prep: Remembrance Booklet (A4 size) in flip folder.

How: Participants sit in a circle, and the leader uses the flipbook to explore the presentation about Remembrance. Make sure everyone is comfortable with the discussion.
